

USA Boxing Registration 2012

USA Boxing has begun to incorporate all registrations on line. You can access the registration information at www.usaboxing.org click on "become a member" that will bring you to the webpage for registering. Most of you will have to set up an account that will get you into the form that is needed. USA takes visa, MasterCard, and debit cards.

All on line paperwork needs to be printed off and sent to the local registration person along with current USA Book in order to obtain a sticker. You can drop your paperwork off here at Uppercut Gym, and Lisa will forward the paperwork with your book or send directly to Jann Goodman-her mailing information is included with your on line registration.
